

Subject: Extension Request: Digital Literacy Project

Draft:

Dear Professor,

I am writing to respectfully request a 24-hour extension for the "Digital Literacy" project submission. While I have completed the core tasks, I am currently experiencing a synchronization error with my GitHub repository and would like the extra time to ensure my documentation is perfectly formatted.

Thank you for your time and consideration.

Sincerely,

Urmi Karayat

Subject: Inquiry: Summer Internship Opportunities
(B.Tech Bioengineering) Urmi Karayat

Draft:

Dear Internship Coordinator,

I am a B.Tech student specializing in Bioengineering at VIT Bhopal. I have been following your company's recent advancements in [Field, e.g., Tissue Culture] and am eager to contribute as a summer intern.

I have attached my resume and GitHub portfolio for your review. I look forward to the possibility of discussing how I can add value to your team.

Best regards,

Urmi Karayat
